the subject."

The incident which
led to the small punishment
in question was fully
inquired into & discussed
in the papers which are in the
District Office.

The Judge was therefore
not entirely right if Mr
Hartes appeal is an
appeal against the order of
the last Dy Commr when he
accepted by a day the
man complained against
& that the Servant will
be unable to pass orders
on the Dy Commrs refusal without
the papers in the case which
are in the District Office &
which should be sent.

The Judge contents
Mr Hartes appeal saying
that it is not an appeal
but a prayer, forwarding
the case back from my letter
to the Chief Secretary, &
without
not transmitting the papers
in the District Office.

I cannot but myself

I make plain that the Case is Merely for the
papers & in any case they should be sent for
Mr Dawson's report to enable the Commr to
form his opinion on the merits of the case &
are in fact sent

Mr Hartes appeal is against
the Judge's refusal
to pass orders on the
case until papers
are sent for

The papers were called for as directed & are now in the Dy Sr's (No 2) 28 6th June 90

2 Strahan then forwarded that

Papers Ending with Mysore Dy Sr's No. 1928 20th May 90

Were it not that my name is mixed up in these papers I should have refrained from troubling the Dewan with them & should have replied to the Dy Sr to say that public time should not be wasted by such references —

Some time last year Mr Wescott the Dy Clerk in the Mysore Secretariat received a promotion & went to Mercara. But in my letter of the due Recd by him from the promotion I deem to have written that the promotion should be withheld for a period not exceeding six months for a certain fault of his. & Strahan says that the [illegible] promotion has thus withheld for 2 months - viz Sept & Oct last.

5½ months afterwards the Dy Sr (in his No 31 & 15 April 90) forwarded an appl from Mr North praying for the 2 months' increase withheld & remarked

5. Mr. W. D. North will be Deputy Clerk on Rs 60. But I deem it necessary to withhold from him for a few months (not exceeding six) the increase to his pay which he will get, for having kept me uninformed of the non issue from the English Office, for about three months, of a draft which in the usual course of business ought to have issued not later than two or three days after approval.

G. T. Macklaghan Esquire B. L.
Deputy Commissioner
Mysore District
Camp Yelwall.

Sir,

I beg to lay the following before you, and Solicit you will be pleased to kindly address Government on the Subject

About 10 months ago, a letter was written to the Dewan, regarding the unauthorized burning of bricks by one Avalukki Soobbiah. The draft was Sent in to the English office on the 3rd of June 1889, received by the Head clerk, and fair copied.

On the 14th of August 1889, the Head clerk made over Charge to me, having obtained three months Privilege leave, but Said nothing to me about the letter when leaving

Two days after I took charge, the Despatching Clerk informed me that the letter alluded to above, had not been despatched owing to the enclosures having been mislaid Seeing that there had been a delay of nearly 2½ months, I immediately ordered a Search to be made, asked the Then Revenue Sheristadar Soobier, (Since transferred to Hassan) to do the Same in his Department, and also wrote to the Manager, Head, & Deputy Clerks of the Dewans office to let me know if the Enclosures had, by mistake, been Sent away there - On Receiving replies in the negative, I at once brought the matter to

the notice of Mr. Juando Row who to my surprise
(seeing I knew nothing whatever of the case until the
16th August, and did all in my power to trace the
records after I was informed that they were missing)
recommended that any promotion should be
stopped for 6 months! I must here mention,
that Mr. Juando Row had only a short time
previously, recommended an increase of pay
(10 Rds) for Ky. Nursoomiah, the present Revenue
Head Monshy, and some others, including myself
but the the increased rate of pay was drawn
by all the others from 1st September 1883,
it was not given to me till 1st December 1883,
owing to my promotion having been stopped.

I represented the matter to Mr. Juando Row
but he soon after left for Madras on leave, &
on his return was too busily engaged taking
charge of the Secretary's office to attend to any
thing else. He however told our Revenue
Interpreter Ramachendra Row that the in-
creased rate of pay could be drawn for me
also from 1st September, but in the absence of
any written authority on the subject a Bill
Cannot be submitted. I therefore, about
4 days 12 days ago, laid the matter again be-
fore Mr. Juando Row, who desired me
to apply to you Sir. I therefore do so, and
hope you will be pleased to kindly order a bill
for Rs 20 to be prepared, and submitted to
Government for sanction, for which I
will feel very thankful indeed

Sir,

The matter was brought to my notice only on the 15th ultimo, Since which date, I have been doing my utmost to trace the missing papers. Thinking that they might by mistake have been Sent away to the Chief Secty: with other letters, I addressed Mr Lovery, and one or two others in the Dewan's office on the Subject, but they have all replied (a few days do) to Say that the papers are not forthcoming. I Should have reported the circumstance earlier, only that I was in hopes of finding the missing papers

The draft was received in the English office on or about the 14th of June last

(1)

(2) I do not recollect at this distance of time whether the Enclosures were in the draft or not — Sometimes, Enclosures are put Sometimes not —

(3) I cannot answer this question, because I do not remember if the enclosures were Sent with the draft or not — the Custom in this office, is for the Head Clerk to receive all drafts, but if I happen to be in office before him, they are given to me — I put

the

drafts in hand to be fair copied and send or give all Enclosures to the Head Clerk as soon as he comes. As my Clerk, I must keep my letter in my drawer for more than one day i.e. I make over whatever papers I may have by me, before I leave office to the Head Clerk, who in turn gives all Enclosures to Jivan Ram, Despatching Clerk. I cannot therefore take upon myself to say who mislaid them - Most probably they were not sent by the Rev. Department. I enclose Jivan Ram's explanation.
